Initial CRI SE
<input type="checkbox"/> Approved and completed training course <input type="checkbox"/> 300h flight <input type="checkbox"/> 30h PIC on applicable type or class

Revalidation FI(A) / IRI(A)

- Valid relevant class/type rating
- Applicant fulfils requirements in FCL.940.FI(a)(1)
- Complete TSL7406

Revalidation FI(H) / IRI(H)

- Valid relevant class/type rating
- Applicant fulfils requirements in FCL.940.FI(a)(1)
- Complete TSL7479

Revalidation CRI SE and ME

- Valid relevant class/type rating
- Applicant fulfils requirements in FCL.940.CRI(a)
- Complete TSL7406

Renewal FI(H) / IRI(H)

- Valid license
- Valid relevant type rating
- Individual refresher training at an ATO
- Complete TSL7479

Renewal FI(A) / IRI(A) / CRI

- Valid license
- Valid relevant class/type rating
- Individual refresher training at an ATO
- Complete TSL7406

Extension FI(H) ME

- Completed the relevant parts of technical training and flight instruction parts of the applicable TRI course
- Completed, within the preceding 12 months, at least 10 hours on the applicable type
(max 5 hours in FFS or FTD 2/3)
- ≥ 500 hours on helicopter of which at least 100 hours PIC on MEH (TRI SPMEH) or FI(H) and 100h flight time in MEH

Extension FI(A) ME

- Fulfils the requirement under Initial CRI ME

Extension FI(A) Instrument

- Approved and completed training course
 - 200h flight time under IFR of which up to 50h may be instrument ground time in FFS, FTD 2/3 or FNPT II
- ME Instrument**
- In addition to above also fulfils the requirement under Initial CRI ME
- FSTD-Only and SPIC supervision**
- 50h flight time after the issue of BIR/IR, of which max 10h instrument ground time in FFS, FTD 2/3 or FNPT II

Extension FI(H) Instrument

- Approved and completed training course
 - 200h flight time under IFR of which up to 50h may be instrument ground time in FFS, FTD 2/3 or FNPT II
- ME Instrument**
- In addition to above also fulfils the requirement under Extension FI(H) ME
- FSTD-Only and SPIC supervision**
- 50h flight time after the issue of IR, of which max 10h instrument ground time in FFS, FTD 2/3 or FNPT II

Additional Privileges AUPRT-I Instructor

- 25h flight instruction experience of AUPRT
- Completed refresher training for AUPRT-I during the last year required documentation attached, see page 9 section F.a

Additional Privileges FI-Instructor (A/H)

- 500 hours of flight instruction in the appropriate aircraft category

Instructions for completing form TSL7571 Skill test AoC Instructor

- A.** Please tick the appropriate boxes. Do note that if an AoC is done with the sole purpose of extending the privileges to another type/class, where the applicant does not meet the experience requirements, you shall just tick "extension" and describe this purpose under point J "additional information" in order for correct handling/filing of Transportstyrelsen and for future follow up.
- B.** Please enter the complete information.
- C.** Personal information of the applicant.
AMC1 ARA.GEN.315 Applicant VERIFICATION OF COMPLIANCE
By ticking this box you certify that you: (1) do not hold any personnel licence, certificate, rating, authorisation or attestation with the same scope and in the same category issued in another Member State; (2) has not applied for any personnel licence, certificate, rating, authorisation or attestation with the same scope and in the same category in another Member State; and (3) has never held any personnel licence, certificate, rating, authorisation or attestation with the same scope and in the same category issued in another Member State which was revoked or suspended in any other Member State. Incorrect information could disqualify you from being granted a personnel licence, certificate, rating, authorization or attestation
- D.** This section is to be completed by the Head of Training or other person nominated by the Head of Training of the ATO. By signing the HT certifies that the applicant has satisfactorily completed an approved course of appropriate training in accordance with the relevant syllabus.
- E.** The result of the test.
If fail in one of the sections, oral or practical, the test is partially passed. If fail in both sections the test is failed.

By signing the examiner;

- have received information from the applicant regarding their experience and instruction, and found that experience and instruction comply with the applicable requirements of Annex I (Part-FCL) to Regulation (EU) 1178/2011;

- confirm that all the required manoeuvres and exercises have been completed, unless specified otherwise above in the case of fail;

- where applicable, have reviewed and applied the national procedures and requirements of the applicant's competent authority which is different from the competent authority that issued my examiner certificate.
- F .a** This section is a checklist of prerequisites for the examiner to check before the test/check. Tick the boxes corresponding to the AoC performed. Please note that the examiner must sign and thus affirm that he has checked all prerequisites in the relevant boxes before the test. In case of non-Swedish examiner, the following attachments are required; The Examiners certificate documents including copy of the license. In case of refresher training for AUPRT-I a certificate of completed refresher training must be attached.
- F. b.** Enter the subject of the test lecture and the flight exercises conducted
- G.** Protocol. With reference to Flight examiner manual the AoC shall include an assessment from cockpit instructor seat (when applicable) to assess the applicant's ability to handle the aircraft as manoeuvring pilot. Result from this is indicated under item 3.4 Aircraft handling and/or section 4 during ME flights.
- H.** Details of the flight.
- I.** Comments regarding tested items, please indicate the item commented.
- J.** Any additional information regarding the conditions during test, simulators etc.
- K.** Only required if disagreements or comments on Examiner's report/remarks is provided by the applicant.
